To help establish the clear guidelines and routines that are so vital in the first years of formal schooling, in the primary grades we ask parents to provide funds for school supplies and we will purchase the necessary items. We do this for several reasons. The request for specific items facilitates teachers moving students with ease from one subject area to another. As well, we will be able to purchase items, such as scissors for the entire class, and have them remain in the class for use on a regular basis, rather than individual students having left the necessary supplies at home.

Please include the supply fee of \$35.00 along with your child's book order. They are to be sent to the VHA office by the first day of school in September, and mark the envelope with your child's name. Any child whose family has not paid the supply fee will not be able to use the class supplies. Please note that this fee does not include the school agenda or books. An order form for these items is attached. **(Cheques for book orders may be mailed into the school during the month of August with the book order).** Please also send with your child on the first day of school:

- 2 boxes of Kleenex (In January we may send you an email to ask you to send in 2 more boxes of Kleenex).
- a pair of indoor (gym) runners; (gym strip is optional)
- a plastic art smock, to be used during art classes.

Yours truly,

Rabbi Lichtman and Ms. Wilson
