Snow Day!

Art of Art

During the course of the first term of the 2015-16 school year, the students in grades 1 to 7 set about to study some famous artists. Not only were students introduced to the artists' life stories, but they also spent considerable time learning about their actual artistic techniques. After studying the techniques, and several pieces of the artists' works, students set out to create their own works in a similar style to the artists studied.

The artists studied included: Frida Kahlo, Ted Harrison, Emily Carr, Pablo Picasso, Piet Mondrian and Vincent Van Gogh. All of this hard work culminated in our annual General Studies Event, this year called The Art of Art, which was held on Wednesday, November 18, 2015. It was amazing to see the artistic talents of our students.

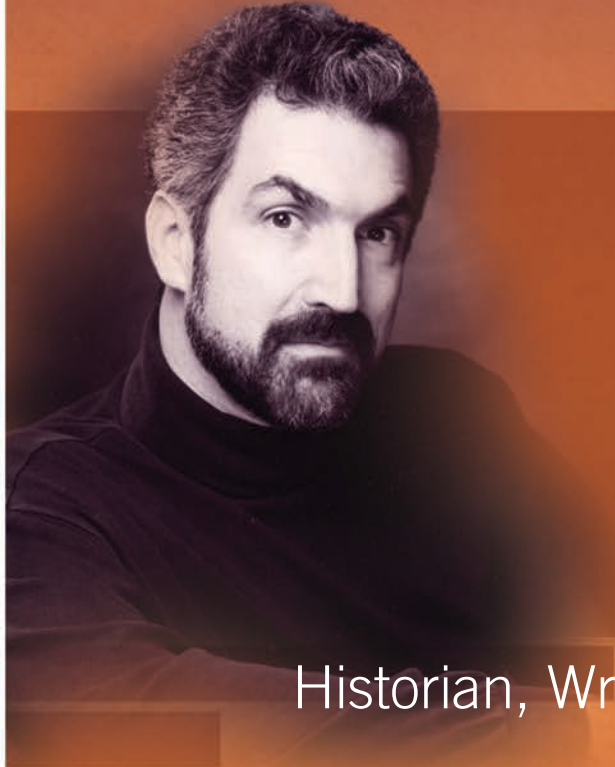

Everyone
got a bit
silly...

...had
tons of fun
dressing
up...

...and
getting
their photo
taken.

Faigen Family
LECTURE SERIES

Daniel Pipes

Historian, Writer, and Political Commentator
