Dear Parents,

**Re: School Supplies 2021-2022**  
**Grade 2 Students – Supply Fee of \$40.00**

To help establish the clear guidelines and routines that are so vital in the first years of formal schooling, in the primary grades we ask parents to provide funds for school supplies and we will purchase the necessary items. The request for specific items facilitates teachers moving students with ease from one subject area to another.

**Please include the supply fee of \$40.00 along with your child's book order. They are to be sent to the VHA office by the first day of school in September and mark the envelope with your child's name.** Any child whose family has not paid the supply fee will not be able to use the class supplies. Please note that this fee does not include the school agenda or books. An order form for these items is attached. **(Cheques for book orders may be mailed into the school during the month of August with the book order).**

Please also send with your child on the first day of school:

- a pair of indoor (gym) runners; (gym strip is optional)
- 1 pair of uniform socks to be kept at the school

Yours truly,  
The Grade 2 Team

## Grade 2 Book Order – September 2021

Books on the supplies list are mandatory and must be purchased for class. They can be ordered from any bookstore or through the school, so you may find a lower price. **The student agendas are of a particular type and must be ordered through the school. Orders must be placed and paid for by the first day of school in September.**
