COVID HAS NOT SLOWED US DOWN!

Our amazing staff has been going the extra mile during the pandemic to ensure meaningful, hands-on educational experiences, and to reach out to support the community during this difficult time.

PURIM THEME AT VHA

I graduated from VHA in 2009 and completed high school at King David. I then attended Queen’s University in Kingston, ON to pursue an education degree, which gave me the chance to do a teaching practicum at VHA. In 2016, I decided to do what I thought would be a one-year exchange at Hebrew University, but after completing the year decided to make aliya. I enlisted in the Israeli Defense Forces and served two years as Chief Sergeant in the Education Corps. After completing my army service, I attended David Yellin School of Education in Jerusalem. I returned to Vancouver last spring and completed my B.A. degree back at Queens University. I feel fortunate for the amazing opportunity to be able to teach at VHA as an alumna, and to be part of an amazing team of educators.

VHA ALUMNI...

After moving from Israel to Vancouver at the age of three, I spent the next 10 years at VHA, graduating in 2014. I then attended Shalhevet Girls High School for the next five years, before heading to Israel for an amazing seminary experience in Bnos Avigail, where I earned my Judiatic Studies credential. This year, I am simultaneously finishing up my Bachelors degree as I work at VHA. I have only fond memories of my years at VHA, so when I was offered a job here, I knew it was an opportunity I could not pass up. I feel privileged to come back as a teacher, and hope to be able to give to the school and the students a little bit of what I received during my years at VHA.
